SHUAA Capital signs an agreement exiting non-core businesses

United Arab Emirates: SHUAA Capital psc (SHUAA), the UAE-based financial services group which recently completed a transformational merger with Abu Dhabi Financial Group L.L.C. (ADFG), today announced that it has agreed to sell its SHUAA Securities brokerage and market-making businesses in the UAE to IHC RSC Ltd, a subsidiary of International Holdings Company (IHC), pending regulatory approvals. IHC is an investment holding company with diverse interests, listed on the Abu Dhabi Securities Exchange.

Under the terms of the all-cash deal, IHC will acquire the operations of both businesses, which currently function as stand-alone business units within SHUAA. This sale is part of the strategy of the combined entity to exit non-core businesses and focus on Asset Management and Investment Banking.

Cautionary Statement Regarding Forward-Looking Information:

This document contains forward-looking statements. Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are based only on our current beliefs, expectations and assumptions regarding the future of our business, future plans and strategies, projections, anticipated events and trends, the economy and other future conditions. Forward-looking statements can be identified by words such as: "anticipate," "aspire," "intend," "plan," "goal," "objective," "seek," "believe," "project," "estimate," "expect," "forecast," "strategy," "target," "trend," "future," "likely," "may," "should," "will" and similar references to future periods.

Examples of forward-looking statements include, among others, statements we make regarding:

- *Expected operating results, such as revenue growth and earnings.*
- *Anticipated levels of expenditures and uses of capital*
- *Current or future volatility in the capital and credit markets and future market conditions.*

Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict and many of which are outside of our control. Our actual results and financial condition may differ materially from those indicated in the forward-looking statements. Therefore, you should not rely on any of these forward-looking statements. Important factors that could cause our actual results and financial condition to

differ materially from those indicated in the forward-looking statements include, among others, the following: Our ability to maintain adequate revenue levels and cost control; economic and financial conditions in the global markets and regional markets in which we operate, including volatility in interest rates, commodity and equity prices and the value of assets; the implementation of our strategic initiatives, including our ability to effectively manage the redeployment of our balance sheet and the expansion of our strategic businesses; the reliability of our risk management policies, procedures and methods; continued volatility in the capital or credit markets; geopolitical events; developments and changes in laws and regulations, including increased regulation of the financial services industry through legislative action and revised rules and standards applied by our regulators.

Any forward-looking statement made by us in this document and presentation is based only on information currently available to us and speaks only as of the date on which it is made. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. We undertake no obligation to publicly update any forward-looking statement whether as a result of new information, future developments or otherwise.
